The River Valley Education Foundation started in 2018 as the Saltsburg Schools Foundation - a simple idea to provide students with greater resources and opportunities, and to support the professionals who work with these students on a daily basis. This simple idea evolved into the formation of a 501(c)(3) organization. Please review our website for valuable information about The Foundation. Here, you will see examples of how we support our schools. You can also discover upcoming events and ways to donate to a project or be a foundation sponsor. We look forward to the opportunity to improve the quality of education for the students who attend the River Valley Schools and we thank you for your patronage.

The River Valley Education Foundation, in an effort to fundraise and to connect to the communities that support us, is creating a new program called the "100 Club". This club is limited to 100 members who each donate \$100 annually to the Foundation. Each donating member of the "100 Club" will pick a number between 1-100. Throughout the year, beginning in January, numbers will be pulled at random on the first day of each month, with members whose number is chosen winning \$150! On December 1st of each calendar year, a grand prize winner will be chosen. This prize is worth \$2,000!!! That means donors have a 1/100 chance to turn their \$100 contribution into a \$2,000 prize winning - and right before the Christmas holiday!

The River Valley Education Foundation will be registering names and organizing the assigning of numbers beginning immediately. It is important that interested members sign up early as space is limited strictly to 100 members. To be eligible for the first drawing, members *must* be signed up and paid by December 31st. Registration and payment will be accepted throughout the year for so long as numbers still remain. Checks should be made to the River Valley Education Foundation, and mailed to the address at the top of the page.

We thank you for your continued support, and hope you'll consider supporting this fundraising endeavor. This fundraiser, as with all of our efforts, enables us to support the students, faculty and staff of the River Valley School District - creating unique opportunities that would otherwise not be available. To sign up, please read the attached guidelines, make your check payable to River Valley Education Foundation and return with the application above. For more information or to ask questions, please contact the foundation at rivervalleyeducationfoundation@gmail.com or by contacting a board member of the River Valley Education Foundation.
